

28 JUL 1980

MEMORANDUM FOR: Chief, Plans & Program Staff, OL

VIA: Chief, Supply Division, OL
STATINTL
FROM: [REDACTED]
Chief, Central Depot, SD/OL

SUBJECT: Training Federal Employees in Fuel-Efficient Driving Techniques

REFERENCE: Memo to C/SD/OL and C/LSD/OL fm C/P&PS/OL dtd 21 Jul 80, same subj. (OL 0-3331)

1. In reply to the referenced memorandum, the following information is submitted on the number of drivers in each category and the training program of energy conservation at the Central Depot (CD):

- | | |
|--|----|
| a. Number of employees who have full time duty as vehicle operators. | 9 |
| b. Employees who require a vehicle in performance of their official duties. | 8 |
| c. All other employees who use a vehicle in the performance of official duties on an incidental basis. | 30 |

2. The film "Running on Empty" was also shown to all CD personnel in February 1980 and the film "Challenge of the Future" was shown in May 1980 as milestones in our Management By Objective program on energy conservation. These films were obtained on loan from the Department of Energy.

3. In the future films can be obtained and other types of training arranged when required.
